

HAPPY 1st ANNIVERSARY GREEN MOUNTAIN FIBERS...

Sunday, November 29th is our official one-year anniversary but we're going to celebrate all weekend long. On Friday, November 27, we'll open at 8am for early bird shoppers and for the first hour, all yarn (excluding consignments) will be 30% off. From 9am to 7pm on Friday, 8am to 5:30pm on Saturday, and noon to 5pm on Sunday, we'll continue with our 20% off on yarn (non-consignment), books, and patterns... with a few extra surprises along the way.

All weekend long, we'll have prize giveaways of yarn, books, patterns, knitting notions, gift certificates, etc. We'll also have in-store specials, such as all Plymouth patterns at just \$2 each, a savings of 40%. Be sure to stop by to enter a drawing and take advantage of our anniversary celebration event.

New this week, you'll find Fleece Artist sock yarn in fabulous variegated colors and the newest series of Opal sock yarns. If you're looking for the perfect holiday gift idea, why not try a sock and mitten set with Miss Priss by Schaefer. We also have the stained glass hat kit made with GMS mountain mohair in two spectacular colorways and the Melissa earflap hat kit, made with GMS alpaca elegance. A scarf of mink and cashmere is perhaps the most decadent gift of all, capturing two luxury fibers in a spectacular blend from Great Northern.

And don't forget, we'll stash your holiday gifts and return them to you... gift wrapped... in time for Holiday giving!
